COMMUNICATION

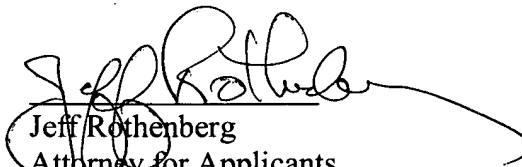

Dear Sir:

On August 28, 2006, the United States Patent and Trademark Office erroneously issued a Notice of Acceptance of Application Under 35 U.S.C. 371 and 37 CFR 1.495. The Notice stated that all requirements had been met, when in fact the Declaration and Power of Attorney was unexecuted.

Enclosed herewith is an executed Declaration and Power of Attorney, along with the associated \$130 surcharge for late filing. Also enclosed is a substitute Application Data Sheet showing a change of address for the inventor.
